

# **A Year In The Bible**

## **With Pastor Keya Smith**

Tips to help guide you through the study process:

- You can find the Assigned Reading List and the Weekly Study Guides on the Website:
  - On your mobile device, go to the menu (3 horizontal lines) and Go to “A Year in the Bible.” Click on it.
  - On your laptop or computer, go to the bottom of any of the pages (Home, About, Give, etc.) and you will see a bar that includes, “A Year in the Bible” tab. Click on it.
- Stick to the assigned reading so that you do not fall behind.
- Choose a time set aside each day to study and make it a priority. If you miss that time, don’t let the day go by without studying.
- Try to make every Wednesday, but if you miss a Wednesday please stay on top of your reading and come back for the next Wednesday lesson.
- With time constraints during our Wednesday lessons, other scriptures will be given to you, but not read during the lesson. Those scriptures are references to understand assigned reading and you will need to read them during your study time.
- Read and study at home, jot down your questions and bring to our sessions on Wednesday. They may be answered during the lesson portion of our sessions, but if not please ask during our Q & A portion of our sessions.
- Know that the Bible isn’t necessarily in Chronological order... while the flow goes from Old Testament to New Testament, chapters especially in each testament often are not sequenced in chronological order, but to tell the story.
